FACIAL LINE

DESCRIPCIÓN

Facial tonic lotion, alcohol-free, indicated to complete the daily cleansing of the skin and provide a final refreshing rinse to the skin.

PRINCIPIOS ACTIVOS DESTACADOS

Sage extract: Its rosmarinic acid content gives it antiseptic and soothing properties.

Extract of witch hazel: Because of its high tannin content, it has a soothing, astringent and anti-corrosive effect on the skin.

Glycerin: Glycerin is a derivative that is obtained from vegetable oils and fats. It is a substance that is present in almost all cosmetic products, because its structure can maintain the right degree of hydration of the skin, retaining the water on the skin surface.

Allantoin: Known for its regenerative power of cells and for its anti-inflammatory and healing effects. Softens, moisturizes and soothes skin.

Alantoína: Conocida por su poder regenerador de las células y por sus efectos antiinflamatorios y cicatrizantes. Suaviza, hidrata y calma la piel.

RESULTADOS

Its formula enriched with extracts of sage and witch hazel gently tones, refreshes the skin of the face and clears the last remnants of makeup and impurities that could remain after cleaning. The plant extracts that form part of its composition make it highly soothing and invigorating, rebalancing the pH of the foot

MODO DE EMPLEO

Apply morning and evening after the FACIAL CLEANSING MILK PARADISE or at any time of the day to refresh the face. The skin is clean, fresh and ready to receive any further treatment.
