PRODUCTO: Sun screen

REF:13IB12

FORMATOS: Bottle 100 ml

FACIAL LINE

DESCRIPCIÓN

Hydrating cream with high solar protection. It contains a wide spectrum of UVA and UVB sun filters. Its advanced non-oily formula contains Vitamin E, preventing premature ageing caused by solar radiation. It may also be used daily as a foundation cream, in laser-depilation treatments or simply to hydrate the skin on sunny days.

PRINCIPIOS ACTIVOS DESTACADOS

Physical filters ? Titanium dioxide. Impermeable to solar radiation, influencing it through reflection; in general terms, it reflects light. Not only does it regulate ultraviolet light, but also visible and infrared rays. It could be said that it functions in a similar way to a screen.

Chemical filters ? Octyl-methoxycinnamate and benzophenone. Act by absorbing ultraviolet solar radiation. They capture energy and transform the energy wavelength, rendering it innocuous to the skin.

Vitamin E ? Tocopherol. This is a potent antioxidant agent. This vitamin is frequently included in photo-protector products to fight against the free radicals produced by sunlight.

RESULTADOS

Sunscreen creams contain substances that act as sunscreens, reducing the amount of rays that Penetrate the skin, avoiding burns and degenerative changes of the skin, if used properly.

MODO DE EMPLEO

Apply evenly to the skin before any kind of exposure to the sun. Renew the application in the event of prolonged exposure to the sun. It may be used as a daily make-up foundation cream, for laser-depilation treatments or to hydrate the skin on sunny days.

TIPO DE PIEL

All skin types

FRECUENCIA DE USO

Daily use

COMPOSICIÓN

AQUA, OCTOCRYLENE, OCTYL METHOXYCINNAMATE, BUTYLENE GLYCOL COCOATE, TITANIUM DIOXIDE, DICAPRYLYL ETHER, BENZOPHENONE-3, PHENYLBENZIMIDAZOLE SULFONIC ACID, CETYL ALCOHOL, GLYCERYL STEARATE, SILICA, DIMETHICONE, CETYL DIMETHICONE, METHYLENE BIS- BENZOTRIZOLYL, TETRAMETHYLBUTYLPHENOL, PEG-75 STEARATE, MICROCRYSTALLINE CELLULOSE, DIMETHICONOL, PHENOXYETHANOL, TOCOPHERYL ACETATE, CETETH-20, STEARETH-20, SODIUM HIDROXIDE, DECYL GLUCOSIDE, CELULLOSE GUM, PARFUM, DISODIUM EDTA, ETHYLHEXILGLYCERIN, XANTHAN GUM, DISODIUM EDTA, HEXADECENE, CITRONELLOL, LIMONENE, LINALOOL, GERANIOL, BENZYL BENZOATE, BUTYLPHENYL METHYLPROPIONAL.
