DATA SHEET

PRODUCT: Hydrating cream for normal and mixed complexions

REF:13IB45

FORMATS: Jar 200 ml

FACIAL LINE

DESCRIPTION

Hydrates the skin delicately, revitalizing its texture and contains a Natural Hydrating Factor and oat extract, permitting the skin to be restored to its optimum level of hydration. A perfect make-up foundation cream.

FEATURED ACTIVE PRINCIPLES

Natural hydrating factor of the skin. This factor is a compound consisting of mineral salts, amino acids and urea, whose function is to entrap and regulate moisture in the skin.

RESULTS

It hydrates effectively revitalizing the epidermis. Ideal as foundation, after Any facial treatment or whenever an optimum hydration is desired

HOW TO USE

Apply a small amount, performing a gentle circular massage with the tips of the fingers. Use in the mornings, after the use of any facial treatment or as a make-up foundation cream.

TYPE OF SKIN

Mixed and normal skin

FREQUENCY OF USE

Daily use
