BODY LINE

DESCRIPCIÓN

Exfoliating and revitalizing body gel with vegetable extracts of pomegranate, lemon and red fruits. It promotes epidermal regeneration, improves skin texture with the exfoliating action of bamboo powder. Helps cleanse the skin of impurities. It closes the pores preventing them from clogging again and imperfections reappear.

PRINCIPIOS ACTIVOS DESTACADOS

Granada: The pomegranate helps to slow down the aging process and keep the skin healthy. Because of its antioxidant power, it promotes blood circulation, reduces pressure and fights free radicals. Diuretic property, which favors the elimination of water and salts. It has high vitamin C content, in addition to vitamin B5 (pantothenic acid), natural phenols, potassium, vitamin A, vitamin E and folic acid. Lemon: The most outstanding property of lemon is its cleansing and astringent effect. It helps to cleanse the skin of impurities and blackheads in addition it closes the pores preventing them to be obstructed again and reappear imperfections. It helps fight stains and unify skin tone. Red Fruits: Contain a significant amount of phyto-nutrients such as polyphenols and anthocyanins. They have a very important amount of antioxidants, increasing the levels of protection against oxidation. They help metabolize fats more quickly by activating the body.

RESULTADOS

Gently exfoliates to remove dead cells from the surface of the skin without drying.
