BODY LINE

DESCRIPCIÓN

Thermal Activating Gel Detox indicated to detoxify and purify the skin, facilitates the drainage of excess fluids and reduces the contour. Made with vegetable extracts of pineapple, carrot and passion fruit. It promotes the combustion of fat, reduces adipose nodules and decreases water retained in tissues. It has a hyper-emetic effect to promote vasodilation that optimizes the action of the active principles.

PRINCIPIOS ACTIVOS DESTACADOS

Pineapple: It has diuretic and detoxifying qualities that drive the elimination of toxic substances that can affect our health. Since it is able to fragment proteins and separate the cellulite tissue, it favors the mobilization and subsequent elimination of accumulated fats.

Carrot: Thanks to the abundant amount of Vitamin A and other antioxidants help to keep skin healthy. Due to its high content of Vitamin C it helps the production of collagen. It helps to repair the tissues and provides protection against the strong rays of the sun. Antioxidants and carotenoids protect and condition the skin to increase its immunity against the sun and heal burns.

Passion Fruit: Provides vitamins A and C and B, as well as potassium, phosphorus and magnesium to the body. For its anti-inflammatory properties, it protects, strengthens and moisturizes. It acts as an anti-aging treatment and helps repair skin tissue.

RESULTADOS

We perform draining anti-cellul massages. The anti-cellulite reducing massages act on the connective tissue, helping to improve irrigation and lymphatic and venous drainage.

MODO DE EMPLEO

Apply a layer of Gel Activator Reset on the area to be treated by means of a gentle circular massage. Then apply the Reset Remodeling Wrap.

Caution: When you contain a hyper-emetic product, redness may occur in the treated area that will disappear after a few minutes. Wash hands thoroughly after handling.
