C O S M E T I C S

*wellness · beauty · cosmetics*

Founded in Madrid, and with the daily challenge of offering the best product, Paraíso Cosmetics was created thanks to the constant support of our customers who with their loyalty have enabled us to develop a wide range of products created and designs for professional beauticians. The use of premium active ingredients helps strike a balance between beauty and sensations.

Paraíso Cosmetics offers a wide range of products with exclusive and innovative formulas. These include lines for face, body, massage, manicure and pedicure, after-depilation, aromatherapy, spa, etc.

## SPA PREMIUM

Spa Premium was created in response to the ongoing and demanding changes in the premium professional cosmetics market and to the customers who increasingly value service quality and the latest trends in first-rate products. The treatments are the perfect combination of results and comfort, a harmonious blend of new sensations, our focus is on leaving skin flawless and silky whilst you balance your energy through its touch, aroma and colour.

Spa Premium is a range of exclusive and innovative products for face and body skin care, created by Paraíso Cosmetics with formulas that boast premium ingredients and powerful benefits along with fresh and unique textures. The brand's mission is to achieve the best results, backed by efficient products at affordable prices for health and beauty professionals.

Discover what we can do for your inner balance.

## FACIAL LINE

*A matter of caring*

Cleaning, exfoliation, hydration, pampering...The Paraíso Cosmetics line protects the skin from the damage caused by aging and external irritants. Facial treatments designed for all skin types, with a special focus on damaged skin.

SPA  PREMIUM

**vitality**  
ANTI-POLLUTION

### **PROTECTOR**

Moringa oil acts as a shield for our skin against pollution and toxic particles. The Indian ginseng extract protects cells from artificial light. The jojoba oil protects the skin from dehydration, creating a protective barrier that helps to regulate moisture levels.

### **REPAIRER**

Musk rose contains tretinoin, which is derived from retinol and stimulates reconstruction of the epidermal tissue. Avocado, thanks to its vitamin C content, helps to metabolise collagen, which firms up the skin. Jojoba oil, thanks to its high content of linoleic acid and antioxidants, stimulates cell regeneration.

### **REVITALISER**

Soy helps to prevent premature ageing, improving skin hydration. It also acts on our body as an antioxidant that fights against free radicals and prevents the emergence of wrinkles, revitalising dull skin. Moringa oil increases cell energy and dynamism and revitalises the skin.

### **PURIFIER**

Carbonated water penetrates deep into the skin and eliminates all toxic substances and dirt. Moringa oil, thanks to its antiseptic and anti-inflammatory properties, cleans and purifies the skin.

## VITALITY ANTI-POLLUTION MASK

Carbonated face mask. Thoroughly cleanses and purifies, creating a bubbling sensation. Removes excess oil, leaving the skin looking bright and radiant.

Available in 150 ml

**Sell the public**

Ref: 131B78

SPA  PREMIUM

## VITALITY AMPOULES

Concentrated skin revitalising treatment, recommended for all skin types, particularly those that require intense and long-lasting hydration. It contains a high concentration of vitamins and vegetable proteins. It alleviates facial signs of fatigue and stress, remedying wrinkles and reshaping the facial contour. It provides skin that is fresher and more radiant, even and revitalised.

Available in 6 x 4 ml

**Sell the public**

Ref: 131B81

SPA  PREMIUM

## VITALITY PROTECTION CREAM

Formulated with a high concentration of active ingredients, such as moringa oil, which detoxifies the epidermis and eliminates and protects it from the damaging effects of pollution. It contains sun filter and protection from HEV light (blue light). It provides younger-looking skin that is fresher and more radiant, even and revitalised.

Available in 50 ml

## Facial Treatment

# GOLD

# GOLD

### **BRIGHTNESS**

Stimulates blood and cellular microcirculation. We achieve diminishing under-eye circles and revitalising the face and body skin.

### **TENSING EFFECT**

Gold helps to the natural production of collagen, a protein used in anti-age products to fight against expression lines, it smoothes wrinkles and confers the skin an improved firmness. The benefits of gold for the skin are visible from the first session, as they produce an immediate tensing effect.

### **REGENERATOR**

Regenerates the skin acting on irritations and imperfections leaving it smooth, silky and velvety. Nourishes and moisturises in depth: prevents dry skin, moisturising it in depth. It strengthens the skin's protective barrier, minimising the effect of aggressive external agents.

### **ANTIOXIDANT**

Stimulates the oxidation of the skin providing vitality and energy, and accelerates the vital functions of the cells preventing the skin's premature aging. Protects the skin from the adverse effects of the free radicals.

A photograph of a woman's midsection and legs, partially covered by a white, draped sheet. The background is a soft, light color. The text is overlaid on the image in various boxes and styles.

## BODY LINE

*A line designed for a perfect care*

A wide range of products that offer multiple beauty alternatives. Paraiso Cosmetics body treatments are specifically designed for head-to-toe body care with powerful reducers, anti-cellulite ingredients and nourishing cosmetics.

## BODY EXFOLIATING CREAM

Cleanses and soothes, eliminating impurities and dead cells and leaving the skin ready for in depth treatment. The essential first step for any body treatment.

Available in 500 ml  
Ref: 131B21

## SLIMMING ANTI-CELLULITE CREAM

Acts efficiently against cellulite, reducing the "orange peel" effect. It contains plant extracts of algae, ivy, horsetail and centella asiatica, with decongestive, toning, emollient and vasoconstrictor properties.

Available in 500 ml and 1.000 ml  
Format 200 ml **sell the public**  
Ref: 131B02P / 131B02 / 131B02-200

## FIRMING ANTI-STRETCH MARKS CREAM

Indicated to prevent and treat skins affected by flaccidity and other elastic disorders of the connective tissue. Regularly applying the product prevents stretch-marks, returns the softness and elasticity back to the skin and increases the firmness and hydration of the areas affected.

Available in 500 ml and 1.000 ml  
Format 200 ml **sell the public**  
Ref: 131B03P / 131B03 / 131B03-200

## HEAT ACTIVATOR TREATMENT

The heat activator treatment is recommended to treat hard cellulite and with nodes. Its hyperaemic action produces a local sauna effect facilitating perspiration and eliminating retained water and fat under the skin.

Available in 1.000 ml  
Ref: 131B13

## COLD BANDAGES LIQUID

Cosmetic lotion formulated with plant extracts of brown algae and horse chestnut, with a reducing action and hypo-thermal active ingredients used to wet the bandages for modelling the body contour. It causes a local cooling of the temperature on the area treated for a controlled period of time.

Available in 1.000 ml  
**Sell the public**  
Ref: 131B06

## HEAT-EFFECT FIRMING GEL

Gel specially indicated for anti-cellulite treatment. Its heating effect activates the peripheral blood circulation helping to eliminate the cellulite nodes. Contains reducing plant extracts and hyperaemic active ingredients.

Available in 1.000 ml  
Ref: 131B20C

## OAT MOISTURISING EMULSION

Smooth texture, light and easily absorbed, indicated for all skin types. Moisturises, refreshes and tones the body instantly providing elasticity to the skin.

Available in 500 ml and 5.000 ml  
Ref: 131B10 / 131B10G

## CARROT MOISTURISING EMULSION

Indicated to protect and care for all skin types. It is made up of dermoprotective and tanning encouraging active ingredients that help to prolong the suntan.

Available in 500 ml  
Ref: 131B11

## THERMO-HEATABLE ALGAE

Excellent complement for anti-cellulite treatments boosting the elimination of the fat nodules in the cases of localised cellulites. Indicated for various ailments, rheumatism, arthritis, lumbago, etc.

SPA PREMIUM  
Available in 1 Kg and 4 Kg  
Ref: 131B59 / 131B58

# RESET

SOLUCIÓN COSMÉTICA **DETOX**

## **PURIFYING**

Pineapple is a diuretic and detoxifier that promotes the elimination of toxic substances that can affect our health, while pomegranate eliminates liquids. It is high in vitamin C as well as vitamin B5 (pantothenic acid), natural phenols, potassium, vitamin A, vitamin E and folic acid.

## **DETOXIFYING**

Berries contain a high amount of phyto-nutrients like polyphenols and anthocyanins. They also contain a significant amount of antioxidants, increasing the levels of protection against oxidation. The artichoke, with high cinnarine content, is an excellent purifier, helping the body to expel the toxins and substances it doesn't need. It stimulates the release of fluids from the body.

## **TONING**

Guarana is a diuretic and helps increase blood flow as well as activate fat-burning by burning more fat faster than any other natural plant. Green tea has thermogenic fat-burning effects and pineapple, since it can break down proteins and cellulite tissue, favors the burning and subsequent elimination of accumulated fats.

SPA PREMIUM

## POMEGRANATE BODY SCRUB

Exfoliating and revitalizing body gel with pomegranate, lemon and berry extracts. It promotes the skin's regeneration and improves skin texture with the exfoliating action of bamboo powder. Helps cleanse the skin of impurities. It closes pores and prevents future clogging and the reappearance of imperfections.

Available in 500 ml

Ref: 131B70

SPA PREMIUM

## THERMOACTIVE PINEAPPLE AND CARROT GEL

Thermoactive gel that detoxifies and purifies the skin, facilitates the drainage of excess fluids and slims the shape. Made with pineapple, carrot and passion fruit extracts, it activates fat-burning processes and reduces lipomas and the water retained in tissues. It's hyperemic effect increases blood flow to optimize the power of the active ingredients.

Available in 500 ml

Ref: 131B73

SPA PREMIUM

## GUARANA AND ARTICHOKE WRAP

Detoxing and draining body wrap that helps to slim and reshape the body. Made with artichoke, guarana and green tea extracts, it penetrates deep to eliminate toxins and reduce fluid retention while improving the skin's texture and appearance.

Available in 1 Kg

Ref: 131B71

SPA PREMIUM

## PINEAPPLE AND MANGO EMULSION

Refreshing and firming body emulsion made with mango, pineapple and mint extracts. It hydrates and softens the skin, leaving a thin layer that prevents the trans-epidermal evaporation of the active ingredients so that the treatment continues to work, even after the session.

Available in 500 ml

## Body Treatment

**Suprême**  
LA ESENCIA DEL CAFÉ

made from  
green coffee

**Suprême**  
LA ESENCIA DEL CAFÉ

### **ANTI-CELLULITE**

It contains a high dose of caffeine that stimulates and burns fat and eliminates cellulite. Caffeine has a high polyphenols concentration that makes it a powerful antioxidant agent slowing the cell aging process, as well as an excellent lipolytic agent that encourages fat removal, and has a high draining and toning power. The methylxanthine and polyphenols present in the coffee plant confer it a powerful anti-cellulite power.

### **ANTIOXIDANT**

It is a natural antioxidant that protects the skin from the adverse effects of the free-radicals, preventing premature aging.

### **EXFOLIANT**

Coffee and sugar are an extremely effective natural scrub, the blend of ground beans with sugar stimulating cell renewal and the removal of dead cells without damaging the skin.

### **ANTI-INFLAMMATORY**

It has an anti-inflammatory effect that soothes the skin when this is irritated or red. Ivy extract contains vasoconstricting properties derived from Vitamin P. It decreases tissue sensitivity, activates circulation and helps reduce local inflammation.

## SUGAR AND COFFEE EXFOLIATING GEL

Body exfoliating cream made with Coffee, Sugar and Ivy Oil. Exfoliates gently to eliminate dead cells from the surface of the skin without drying it. The Coffee and Sugar act as natural exfoliating agents. The Ivy Oil diminishes the sensitivity of the tissue, activating blood circulation and helping to reduce local inflammation.

Available in 500 ml

Ref: 131B51

## MASSAGE LINE

*The added value of its treatments*

Wide range of oils, creams and gels created to pamper and relax the skin for a sense of well-being. Ideal for manual techniques and massage booths, providing smoothness and hydration.

## BODY MASSAGE OIL

Of slow absorption, it facilitates manual massage enabling the right movement during the massage. Enriched with sweet almond oil, wheat germ oil and vitamin E, provides softness, elasticity and tautness to the skin.

Available in 1.000 ml  
Ref: 13IB04

## VASELINE OIL

Medicinal Vaseline oil, colourless and of a light texture, suitable for any type of massage. Emollient and lubricant. It takes some time to be absorbed by the skin which makes it perfect for the hand movements during the massage. Akin to the skin and with excellent skin compatibility, it prevents an excessive greasy feeling and does not leave residue, aroma or stains.

Available in 1.000 ml  
Ref: 13IB38

## SWEET ALMOND OIL

Virgin oil obtained by first cold-pressing of the Prunus Dulcis fruit. It can be used as massage oil because of its optimum lubricant properties. Provides softness, tautness and elasticity. It can also be used after the bath to soften the skin.

Available in 500 ml, 1.000 ml and 5.000 ml  
Ref: 13IB05P / 13IB05 / 13IB05G

## VICHY SHOWER BODY OIL

Medium viscosity oil specific for Vichy shower and water massages in general. Thanks to its lubricant power and low absorbing capacity it enables and facilitates the manual work of the masseur during the session.

Available in 500 ml  
Ref: 13IB33

## SESAME OIL + ORGANIC PINDA

Cloth bag that inside has natural elements of organic-agriculture plants (rosemary, lavender, thyme, oranges, roses, sage) and sea salts, together with sesame oil. Natural Product. Biodegradable labelled.

SPA PREMIUM

Available in 35 ml + pinda  
Ref: 13IB56

## MASSAGE CANDLE

Developed for hot massages, it relaxes the body and deeply moisturises it. Favours blood circulation and tones the skin. Natural product. Enriched with Vitamin A, C and E.

Available in 200 ml  
Ref: 13IB55

SPA PREMIUM

## BODY MASSAGE CREAM

Facilitates manual massage and leaves skin soft and smooth. In addition to its usual use as massage cream, it is recommended to be applied in the beauty parour after body exfoliating and firming treatments, at the end of the session to relax the muscles and reactivate the blood circulation.

Available in 1.000 ml  
Ref: 13IB01

## MUSCULAR MASSAGE CREAM WITH ARNICA EXTRACT AND CANNABIS OIL

Made with arnica extract with a soothing effect and methyl salicylate of a gentle analgesic rubefacient effect, this pleasant cream is recommended for muscle and joint soothing and relaxing massages.

Available in 500 ml and 1.000 ml  
Ref: 13IB25-500 / 13IB25

## COLD-EFFECT FIRMING GEL

Refreshing gel that provides a cold feeling with a relaxing effect. It has anti-cellulite factors, moisturising, bio-activator and anti-edema, decongestive, vasoprotective and vasoconstrictor factors thanks to its composition. Indicated in those situations where a cold application can be beneficial. Helps to reduce discomforts that may arise due to the daily activity and the practice of sport.

Available in 1.000 ml  
Available in 250 ml **sell the public**
